

Upcoming Professional Development Workshops:

Supportive Responses to Troubled Parent-Child Interactions

In their daily work with parents and children, child care professionals have a unique window into families' strengths and challenges. This session presents strategies that child care providers can use to support positive parenting and to intervene when providers witness troubled interactions in families.

Thursday, October 26, 2017 from 6:00 PM – 9:00 PM (3.0 Hours)

Cost: **\$15.00**

Tri-City Christian Early Learning Center
430 NE Duncan Road, Blue Springs, MO 64014

CDA Subject Area: 1, 4

Core Competencies: IV (Level 1d), V (Level 1b, 1c)

Keeping our Children Healthy

Why are the children—and you—sick so much? After this session, you will know what to do to keep children healthier and happier and how to avoid illness yourself. Learn how to prevent and reduce the risk of contagious diseases in child care and early learning programs. We will teach you to identify common illnesses, practical methods to prevent contracting these illnesses, and universal precautions for preventing the spread of infectious disease.

Promoting Children’s Success through Social and Emotional Learning Techniques

Do you want to learn more techniques that support social and emotional development, even when children are displaying challenging behaviors? This module identifies strategies, such as problem solving and games to teach children emotional literacy and emotional regulation. You will see your classroom transform, as you help children identify emotions and teach them positive social skills that foster friendships. In this session you will learn about the third level of the CSEFEL teaching pyramid, which represents *Targeted Social Emotional Supports*.
