Information included in this report is maintained by Child Care Aware® of Missouri along with reports from the Department of Health and Senior Services, Section for Child Care Regulation and other sources. Child Care Aware® of Missouri recognizes that there are groups of child care and after-school programs that may not be captured in these totals including: 1) religious organizations and nursery schools that serve each child for no more than four hours a day), 2) family child care programs that serve four or fewer unrelated children, and 3) child care provided by public or private K-12 education.
